PROGRAM PORTFOLIO 2022

2022

MANAGEMENT & LEADERSHIP	LENGTH	JAN	FEB	MAR	APR	MAY	JUN	JUL	AUG	SEP	OCT	NOV	DEC	FEE/SAR
MBSC Advanced Management Program This program is designed to provide leaders with the skills, tools, and knowledge to guide them and their organization confidently & effectively through the volatility, uncertainty, complexity, and ambiguity of the extremely competitive business environment. It combines all elements of business administration and a dedicated coach to support managers in their professional development.	3 modules of 9 days									Sep 4 th - 6 th , Sep 18 th - 20 th , Oct 2 nd - 4 th				35,000
MBSC Advanced Leadership Program This program is designed to provide managers with the mindset that allows their leadership capabilities to continue expanding and improving throughout their lives. It is for leaders already leading departments/organizations, exploring the transition into more strategic roles, having a flair to improve themselves, empowering people around them, growing their organization, or just succeeding in the competitive environment.	2 modules of 6 days					Module 1: Day 1: May 31 st Day 2: June 1 st Day 3: June 2 nd Module 2: Day 1: June 19 th Day 2: June 20 th Day 3: June 21 st								22,500
MBSC Women Leadership Program MBSC Women Leadership Program Women’s leadership development is an important part of an organization’s approach to building diverse leadership teams and a critical factor in supporting transformational change. This inspiring, participants-centric program is developed by a team of experts in women’s leadership development. It comprises a range of learning pedagogies, including action learning, problem-solving, and critical reflection. It enables active engagement and encourages open discussions where self-awareness is fostered and nurtured.	3 days									Sep 11 th -13 th				11,900
STRATEGY	LENGTH	JAN	FEB	MAR	APR	MAY	JUN	JUL	AUG	SEP	OCT	NOV	DEC	FEE/SAR
MBSC Strategy & Execution Program This program is designed to examine the reasons behind fail business strategies and unreached strategic goals as planned. Leaders will craft and implement strategies that can be put to practice, produce the results and fill the gap between where they want their organization to be and where it is now: the strategy implementation gap.	3 days			Mar 20 th – 22 nd										11,900
MBSC Change Management Program The program is designed to provide leaders with an innovative approach to change management that will transform them and their respective organizations into game-changers. Leaders will learn how to craft and executive purpose-driven, performance-oriented, and principles-led strategic change initiatives. They will develop capabilities to make constant adjustments to unexpected events during change implementation and adopt an entrepreneurial mindset and action methodologies that catalyze and unleash change.	2 days		March 23 rd – 24 th											8,700
MBSC Strategic Thinking Through Scenario Planning Program This program follows the rigorous methodological and practical steps outlined in the Oxford Scenario Planning Approach . Representatives of organizations will question long-held assumptions, correct decision-making biases, review existing strategies, and reach out to multiple stakeholders through a relatively new strategic tool - scenario planning. Through interactive team-based exercises, participants will develop colorful images and moving stories of possible futures that could transpire due to unexpected but plausible events	3 days					May 22 nd - 24 th								11,900
MBSC Effective Decision Making Program This immersive, highly interactive program will equip participants with the skills needed to make better, more effective decisions within their sphere of influence. The program’s main focus is that decision-making is a critical leadership skill acquired and developed. It helps participants increase their decision-making effectiveness and augment their proficiency at leading teams towards effective decision-making for value creation.	3 days										Oct 9 th -11 th			11,900
HEALTHCARE	LENGTH	JAN	FEB	MAR	APR	MAY	JUN	JUL	AUG	SEP	OCT	NOV	DEC	FEE/SAR
MBSC Leading Healthcare Transformation Program This program supports healthcare executives taking leading roles in transforming Saudi Arabia’s healthcare system as targeted in Vision 2030 and presently being implemented. It addresses the needs of executives taking on new private and corporatized leadership roles and responsibilities. The program covers international best practices and connects them to current developments in Saudi Arabia. Participants are expected to bring their own cases and advance on mini-projects to apply and discuss the learning.	2 modules of 4 days	Module 1: Day 1: Jan 30 th Day 2: Jan 31 st Module 2: Day 1: Feb 16 th Day 2: Feb 17 th												22,500

2022

LEADERSHIP	LENGTH	JAN	FEB	MAR	APR	MAY	JUN	JUL	AUG	SEP	OCT	NOV	DEC	FEE/SAR
MBSC Leadership Essentials Program The program equips leaders with frontier-of-knowledge tools and leadership skills through practically applicable scenarios and eventually helping their followers/associates become leaders. It's for high-potential professionals ready for more significant growth.	5 weeks	Jan 30 th – Mar 2 nd <i>*1st Delivery</i>							Aug 14 th – Sep 14 th <i>*2nd Delivery</i>					8,500
Problem-Solving Through Creativity & Innovation Program This program provides an opportunity for executives to reflect upon their own individual styles of thinking and how diversity, constructive conflict, and chaos among team members can be leveraged to generate an organizational culture of creativity and innovation. A range of interactive exercises will strengthen skills to work independently and effectively in teams. These include video cases from IDEO, Apple, self-evaluation using psychometric tests, and play-based activities such as 'What If' for thinking outside the box and 'Catch ball' for story creation and narrative building.	4 weeks						Jun 7 th – 28 th							6,500
FINANCE	LENGTH	JAN	FEB	MAR	APR	MAY	JUN	JUL	AUG	SEP	OCT	NOV	DEC	FEE/SAR
