About MBSC

Message From The Dean

MBSC Students In Numbers

A Word from Our Alumni

EMBA - Class of 2025

MiM - Class of 2025

MiF - Class of 2025

**MBSC PROVIDES A WORLD-CLASS
EDUCATION THAT MEETS INTERNATIONAL
STANDARDS RIGHT HERE IN SAUDI ARABIA.**

THE PRINCE MOHAMMED BIN SALMAN COLLEGE OF BUSINESS AND ENTREPRENEURSHIP (MBSC)

IS A NEW, PRIVATE, HIGHER EDUCATION INSTITUTION FOR BOTH MEN AND WOMEN. IT HAS BEEN ESTABLISHED THROUGH AN INTERNATIONAL AND LOCAL PARTNERSHIP BETWEEN **EMAAR THE ECONOMIC CITY**, **BABSON**, **LOCKHEED MARTIN** AND **MISK** UNDER THE UMBRELLA OF THE ECONOMIC OFFSET PROGRAM IN THE KINGDOM OF SAUDI ARABIA.

MBSC ADOPTS BABSON COLLEGE'S UNIQUE APPROACH TO ENTREPRENEURIAL EDUCATION WHICH DOES NOT RELY ON PASSIVELY LISTENING TO CLASSROOM LECTURES BUT FOCUSES ON HANDS-ON EXPERIENTIAL LEARNING THAT IS PRACTICAL AND PRAGMATIC. DEVELOPMENT OF INDIVIDUALS WILL CONTINUE OUTSIDE CLASS THROUGH AN INTENTIONALLY CREATED SET OF CO-CURRICULAR EXPERIENCES THAT WILL REINFORCE AND BUILD THE ENTREPRENEURIAL LEADERSHIP SKILLS OF STUDENTS.

MBSC HAS CONDUCTED A GLOBAL SEARCH TO HIRE FACULTY WHO ARE BOTH TALENTED TEACHERS AND PROMINENT RESEARCHERS. MANY OF OUR FACULTY HAVE BEEN TRAINED AT **BABSON COLLEGE**. THE FACULTY ARE ALSO SUPPLEMENTED BY A GROUP OF DISTINGUISHED VISITING FACULTY FROM WORLD-CLASS COLLEGES AND UNIVERSITIES.

MBSC IS COMMITTED TO ABIDE BY GLOBAL STANDARDS OF QUALITY BY FOLLOWING STANDARDS OF BOTH LOCAL (**NCAAA**) AND GLOBAL ACCREDITATION FROM BODIES SUCH AS **NECHE** AND **AACSB**. **BABSON GLOBAL** WILL CONTINUE FOR MANY YEARS TO PROVIDE ASSISTANCE AND SUPPORT TO MBSC ON ITS JOURNEY TO EXCELLENCE.

MESSAGE FROM THE DEAN

PRINCE MOHAMMED BIN SALMAN COLLEGE OF BUSINESS AND ENTREPRENEURSHIP IS ESTABLISHED TO CONTRIBUTE TO THE REALIZATION OF VISION 2030. IN THE IMAGE OF WORLD-CLASS GLOBAL BUSINESS SCHOOLS, WE AIM TO BE THE REGION'S LEADING SCHOOL OF BUSINESS AND ENTREPRENEURSHIP, AN ELITE INSTITUTION OF HIGHER LEARNING.

OUR EXECUTIVE MBA, MASTER IN MANAGEMENT, AND MASTER IN FINANCE CANDIDATES LEARN HOW TO CONCEPTUALIZE VALUE-CREATING INITIATIVES AND EXECUTE THE EFFECTIVE REALIZATION OF THESE. BEING A SMALL SCALE, HIGH QUALITY SCHOOL, OUR PROGRAM CANDIDATES ARE CAREFULLY SELECTED, HAND-PICKED THROUGH A RIGOROUS ADMISSIONS' PROCEDURE.

LIKEWISE, OUR FACULTY ARE UNIQUE IN THAT THEY ALL HAVE DOCTORATES FROM THE WORLD'S FOREMOST BUSINESS SCHOOLS. THEY PUBLISH THEIR RESEARCH IN THE TOP ACADEMIC JOURNALS AND THEIR RESEARCH-INFORMED EXPERIENTIAL TEACHING PREPARES OUR STUDENTS TO BE IMMEDIATELY JOB-READY.

WE MAY REGRET IT, BUT THE TIME IS LONG GONE WHEN NEW JUNIOR RECRUITS HAD AMPLE TIME IN ORGANIZATIONS TO LEARN AND MATURE BEFORE MAKING CONTRIBUTIONS. IN THE CURRENT GLOBAL COMPETITIVE BUSINESS ENVIRONMENT, NEW JUNIOR RECRUITS MUST BE EFFECTIVE FROM DAY ONE AND MAKE CONTRIBUTIONS TO ADVANCE THEIR ORGANIZATIONS RIGHT AWAY.

WE INVITE YOU TO HAVE A CLOSE LOOK AT THESE EXCEPTIONALLY FINE YOUNG SAUDI LEADERS, WOMEN, AND MEN.

MBS COLLEGE PROVIDES WONDERFUL DEVELOPMENT OPPORTUNITIES TO ANYONE IN OUR COMMUNITY. IN TURN, OUR COMMUNITY PROVIDES HIGH-IMPACT DEVELOPMENT OPPORTUNITIES TO INDIVIDUALS, ORGANIZATIONS AND, BY CONSEQUENCE, SAUDI SOCIETY.

THANK YOU.

ZEGER DEGRAEVE

FLAT6LABS

A WORD FROM OUR ALUMNI

Ahmed Sufyani

MBA Part-time 2017
Title: Senior Managing Director - Business Development
Organization: Abdul Latif Jameel

The invaluable experience at **MBSC** gave me the necessary skills to transition from a technical background to a business focused career. The intensive courses of the program are oriented toward creating leaders acquiring sharper business acumen, diverse skills, and broader knowledge.

Nawfal Algerian

MBA Part-time 2017
Title: CEO
Organization: Ministry of Health - Medical Referral Center

After years of experience as an Emergency Medicine Physician in the healthcare industry, it was time to enhance and further develop the leadership skills needed to navigate the complexity of the healthcare system, especially with the huge transformation the Kingdom is going through. The extraordinary program at **MBSC** and the faculty helped me connect the dots and develop a framework that can be used on a daily basis to lead and make critical decisions during times of uncertainty that plays an important role not just at the organizational level but at a national level as well.

Basim Albeladi

Entrepreneur
MBA Part-time 2018
Title: Founder & CEO
Organization: Labayh

I needed a program to enhance my existing business background with a deep dive into topics relevant to my objectives. **MBSC's** world-class professors and the entrepreneurial curriculum were a starting point that set me off on a journey towards building my leadership skills and a solid network. Right now, I'm able to grow my own business, pitch ideas more effectively, develop a solid business model, and set myself up on the path to success.

A WORD FROM OUR ALUMNI

Almohanad Almarwai

Entrepreneur
MBA Part-time 2017
Title: Co-Founder & CEO
Organization: Arabian Coffee Institute,
Coffee Lights, Ash Café, & AgriNexus Ltd

Through the SLE component of the EMBA program, the social capital, and networking opportunities, **MBSC** has significantly contributed to growing my existing company and played an essential role in successfully launching and managing another.

Sariah Aljefri

Entrepreneur
MBA Part-time 2018
Title: Co-Founder & Chief
Organization: Brainfreeze and Firnas Aero

I define myself as an employed entrepreneur; prior to joining **MBSC**, I struggled with jumping up the ladder of my career while at the same time maintaining the success of my businesses. Post my MBA, I have cultivated an entrepreneurial mindset that helped me navigate the corporate environment while having startup running autonomously. I have evolved in my career by joining a leading entity and one of the main pillars for vision 2030, leveraging the knowledge I acquired in economics, strategy, and management during my MBA to profoundly impact my nation towards a brighter future.

Abdulrahman Al Saati

Entrepreneur
MBA Part-time 2017
Title: Founder & CEO
Organization: Destifind

My time at **MBSC** helped develop my business skills and grow the network that enabled me to grow and scale my tourism business and effectively manage the COVID-19 Crisis by growing and branching out to catering and logistical services. It also equipped me with the tools to manage and work with stake holders from the public sector to amend regulations and policies for investing in the tourism sector.

20²⁵ EMBA

Abdalrhman Aljabri

Title: Operations Manager
Organization: EFSIM

Experienced, results-driven Facility Management expert with hands-on expertise in leading and optimizing facility operations for renowned names. Proven track record of implementing cost-effective strategies to enhance efficiency and performance. An accomplished leader adept in building and leading high-performing teams with a high level of management acumen.

Abdulaziz Albassam

Title: Managing Partner
Organization: MABconsult

With over 14 years of expertise in Project and Cost Management, I've led diverse projects and served on boards across various industries. From non-profits to professional services and venture capital, including mentorship and juror roles, I thrive in dynamic environments where I am able to drive impactful strategies and foster growth.

Abdulaziz Alhajlah

Title: Vendor Management Manager
Organization: Health Co.

An analytical, goal-oriented leader with expertise in contract management, demand planning, and resource allocation within fast-paced environments. Skilled in providing strategic leadership of short and long-term goals to implement positive change and execute multi-billion-Riyal contracts. Adept at generating cost savings by leading contract negotiations and developing project scopes based on contract requirements. Proven ability to lead the preparation, negotiation, and review of contracts while maintaining accurate records.

Abdulaziz Almenea

Title: Delivery Director
Organization: New Murabba Development Company

A seasoned Delivery Director in both infrastructure and high-rise building projects, I am committed to continuously expanding my expertise to ensure the delivery of projects that showcase construction innovation, optimize community utility, and generate enduring value. Fueled by a pursuit of excellence and a dedication to setting new standards, my aim is to enhance the construction industry by pioneering technology and innovation that prioritize safety, quality, and efficiency in project execution.

Abdulaziz Almuhsen

Title: Collection Senior Manager
Organization: Diriyah Company

A head of the collection department with 14+ years of experience in corporate finance and business operations who has worked in telecom, technology and real estate development fields. In previous roles, I structured and restructured the collection department, building all of their policies, automated most of their daily processes and supported the collection department team to reduce the entity's bad debt.

Abdulaziz Almutairi

Title: Digital PMO Team Head
Organization: Ministry of Finance

A digital transformation consultant with 17 years of proven experience in project management and banking digital services with leading Saudi organizations that evolved my leadership personality and reputation. During my career journey I have contributed to many success stories through streamlining project management procedures and enhancing efficiency.

Abdulaziz Alshammari

Title: Licensing and Industrial Control Manager
Organization: Saudi Authority for Industrial Cities and Technology Zones

An Industrial Engineering & facility management expert that contributes to the success of an organization. More than 10 Years of experience in contract management, utilities and water services. Earned extensive leadership skills and knowledge with effective problem solving skills and the ability to develop, implement, and improve integrated systems. Experienced in process improvement & people management.

Abdulaziz Banaja

Title: Pediatric Surgery consultant
Organization: Ministry of Health

Multi-faceted Pediatric Surgeon with a dedication to providing the highest quality in patient care, health and recovery through precise surgical procedures. Deep understanding of complex surgical processes while implementing the latest in technological innovations and medical methodologies to facilitate optimum results. Experienced in providing strong leadership in both clinical and academic settings—through training, best practice adherence, educational development through specialised course design and assessing performance reviews.

Abdulelah Barnawi

Title: Central Arabia Logistics Head
Organization: Nestle

A dynamic supply chain leader with over 8 years of expertise at P&G, excelling in logistics, warehousing, and IT project management. Recognized for spearheading transformative projects, achieving significant cost savings, and operational excellence. As the founder of OfficeStation.io, I've championed the nexus of workspace comfort and productivity, offering tailored solutions for both individuals and organizations.

Abdullellah Althobaity

Title: Associate Professor
Organization: Taif University

Associate Professor with expertise in emergency and disaster healthcare management. Currently serving as the CEO of the House of Expertise for Emergency Preparedness at Taif University. I have a strong track record of developing programs that integrate theory with practical application to effectively address healthcare crises and enhance outcomes.

Abdulhamid Alghafari

Title: Critical Care Physician
Organization: King Fahad Medical City

A critical care and internal medicine physician with 10+ years of experience in health care working as deputy of critical care unit in one of the largest health care institution in western region. Due to my commitment to improving quality of health care through better management and leadership I was selected to be chief medical officer for the Saudi Royal protocol in Alhaj season.

Abdulkarim Alnasser

Title: Sr. Petroleum Engineer
Organization: Aramco

A Petroleum Engineer with 9 years of experience in the oil and gas industry, I have a proven track record of success in optimizing reservoir performance and maximizing production. My expertise in reservoir engineering, production engineering, and petrophysics allows me to analyze data, design solutions, and implement strategies that improve efficiency and reduce costs.

Abdullah Aldabil

Title: Country Operations Manager
Organization: MB Petroleum

I have been fortunate enough to work in a variety of different areas such as engineering, operations management, sales and marketing, and talent acquisition. In each role, I have been responsible leading big teams and have been recognized for the best revenue growth among global locations for 55% year-on-year revenue growth and the best local talent development program for one of the biggest national oil groups in the region.

Abdullah Aldeweesh

Title: Investment Associate
Organization: Flat6Labs

A Program Manager at one of the most active venture capital firms in the MENA region. Leading rank as the most active investors in MENA by deals 28, and the leading investor in KSA-based startups by deal with 8 in H1 2023. I've been actively engaged in the entrepreneurial sphere, wearing multiple hats as a founder, advisor, and investor. My expertise particularly shines in the realm of Fintech, where I possess a profound understanding of regulatory compliance and requirements.

Abdullah Alhifany

Title: Associate Professor
Organization: Umm Al-Qura University
College of Pharmacy

An accomplished Associate Professor of Clinical Pharmacy at Umm Al-Qura University. With a focus on research, education, and healthcare innovation, I lead efforts to advance pharmacy practice and enhance healthcare services in Saudi Arabia.

Abdullah Almarri

Title: BCM, Compliance, and Disaster Response
Organization: Digital Government Authority

With a robust track record spanning over half a decade, my expertise lies in the domains of Business Continuity and Resilience, Emergency and Crisis Management, and Risk Management. My career aspiration is to ascend within the realm of Governance, Risk, and Compliance, while actively contributing to the national implementation of resilience strategies, thereby ensuring robust organizational readiness and adherence to regulatory standards and be a benchmark in the region in the field.

Abdullah Almunif

Title: Creative Team Supervisor
Organization: Ministry of Energy

With over 6 years of experience in creative production and operations, Abdullah successfully managed and delivered multiple high-impact projects that showcase the ministry's vision and achievements. Passionate about creating innovative and engaging solutions that inspire and educate audiences. He leads and mentors a talented team of creative professionals, empowering them to perform at their best and grow their skills while collaborating with stakeholders, ensuring alignment and satisfaction with the project objectives and outcomes.

Abdullah Alqarawe

Title: SVP - Head of People Experience and Organizational Culture
Organization: Riyad Bank

Experienced leader excelling in marketing, communication, and change management. Skilled in driving business expansion, cultural transformations, and growth initiatives through adept leadership alignment and stakeholder engagement. I specialize in minimizing business disruption while enhancing organizational adaptability through seamless communication. Prosci certified with a strategic focus on growth.

Abdullah Alrobean

Title: Senior Talent Acquisition Manager
Organization: Tatweer Building Company

Strategic and results-driven Human Resources professional, specializing in talent acquisition, HR policy management, and Human Resources development. My expertise lies in harmonizing workforce requirements with organizational goals, sourcing exceptional local and international talent, and crafting HR strategies that foster a culture of excellence and inclusion. Passionate about driving growth and nurturing talent.

Abdullah Alshememry

Title: Vice Dean for Educational and Academic Affairs
Organization: King Saud University

With over 12 years of expertise in higher education and research in pharmaceutical biotechnology, my contributions as Vice Dean at King Saud University's College of Pharmacy involve using project management skills to effectively orchestrate significant initiatives that align academic and research outcomes with global industry standards and drive innovation. My role also extends to providing strategic biotechnology consultancy, contributing to pivotal projects with entities like the SFDA, SCFHS, and the Ministry of Defence.

Abdullah Alswayan

Title: Department Head
Organization: Government Organization

A seasoned Business Development Manager with a background in Electrical Engineering. Strong knowledge in overseeing research and development as well as cybersecurity projects. Having successfully led multidisciplinary teams to execute strategic projects across various organizations. Experienced in managing several product developments from inception to launch, in addition to spearheading new business ventures to commercialize multiple products and services.

Abdullah Alzahrani
