MBSC EXECUTIVE EDUCATION

PROGRAM PORTFOLIO 2025

Message From the Dean

Zeger Degraeve, Ph.D.

MBSC Executive Dean & Professor of Decision Sciences

Thank you for considering our school as a partner in your leadership journey.

At MBS College, we take pride in our experiential and hands-on approach to teaching and learning. Our programs are designed to empower leaders like you with not only the knowledge to drive impact and create value but also the skills and attributes to make an immediate difference in your organization and beyond.

We look forward to supporting you in achieving your goals.

WELCOME TO

Prince Mohammed Bin Salman College (MBSC) of Business & Entrepreneurship

Executive Education

Prince Mohammed Bin Salman College of Business & Entrepreneurship (MBSC) is committed to developing courageous and creative leaders who seize opportunities and drive transformation in the Kingdom of Saudi Arabia. Established through an international partnership with Emaar The Economic City, Babson Global, and Lockheed Martin, and with the support of the MiSK Foundation, MBSC adopts Babson College's renowned hands-on, experiential learning approach.

At MBSC Executive Education, we take this mission further as **a premier national hub for executive development, delivers programs that equip leaders with the knowledge and skills to drive organizational growth and achieve continuous professional development.**

Our programs are thoughtfully designed to immerse participants in Saudi Arabia's dynamic economic landscape while connecting them to global business perspectives.

With a strong emphasis on excellence and lifelong learning, MBSC Executive Education aligns with the Kingdom's vision to build a knowledge-based economy, empowering leaders to unlock their full potential and drive sustainable success.

MBSC Executive Education 2025 Program Description

NON-EXHAUSTIVE

MANAGEMENT & LEADERSHIP

Advanced Leadership | 2 Modules - 3 Days Each - In-Person | 3 Faculty Members

This program is designed to provide managers with the mindset that allows their leadership capabilities to continue expanding and improving throughout their lives. It is for leaders already leading departments organizations, exploring the transition into more strategic roles.

Women In Leadership | 3 Days - In-Person | 3 Faculty Members

This inspiring, participants-centric program is developed by a team of experts in women's leadership development. It comprises a range of learning pedagogies, including action learning, problem-solving, and critical reflection. It enables active engagement and encourages open discussions where self-awareness is fostered and nurtured.

Customer Experience Management (CX) | 2 Days - In-Person | 2 Faculty Members

This program focuses on designing meaningful experiences, mastering CX management, driving value co-creation with customers, and harnessing the power of purpose to deliver exceptional experiences. Through hands-on activities, real-world case studies, and industry-standard tools, you'll gain the skills to design, manage, and deliver CX that drives business success.

NEW Executive Wellness for High-Performance Leadership (eWHIL) | 2 Days - In-Person | 2 Faculty Members

This program empower leaders to priorities well-being while driving professional success, aligning with Saudi Arabia's Vision 2030 focus on healthy human capital. Covering physical, nutritional, emotional, social, spiritual, intellectual, and environmental wellness, eWHIL provides practical techniques to boost resilience and leadership. Participants gain personalized wellness plans, learn stress management, and acquire skills to foster wellness in their organization, supporting a productive, resilient workforce essential for Vision 2030's goals.

NEW Leading Sustainable Business | 4 Weeks – Live-Online | 2 Faculty Members

This program offers a comprehensive introduction to sustainability, focusing on the balance between economic, social, and environmental factors. Participants will explore the United Nations Sustainable Development Goals (SDGs) and examine business models through the circular economy framework, understanding its role in driving sustainability. Designed for professionals, the program equips them with the tools to align organizational objectives with global sustainability goals.

Leadership Essentials | 5 Weeks - Live-Online | 2 Faculty Members

This program equips leaders with frontier-of-knowledge tools and leadership skills through practically applicable scenarios and eventually helping their followers/associates become leaders. It's for high-potential professionals ready for more significant growth.

STRATEGY & CHANGE MANAGEMENT

NEW Leading Change Through Strategy Execution | 3 Days - In-Person | 2 Faculty Members

Most business strategies fail to produce positive results, and most strategic goals are not reached as planned to leave them with unfulfilled goals and wasted resources. The program addresses this critical gap by supporting leaders to understand the reasons behind these failures and equipping them with the skills to craft and implement effective strategies. The program will guide leaders through the process and focus on bridging the gap between the vision of their organization and the current reality.

Strategic Reframing *The Oxford Scenario Planning Approach* | 3 Days - In-Person | 2 Faculty Members

This program follows the rigorous methodological and practical steps outlined in the Oxford Scenario Planning Approach. Representatives of organizations will question long-held assumptions, correct decision-making biases, review existing strategies, and reach out to multiple stakeholders through a relatively new strategic tool - scenario planning.

HEALTHCARE

Healthcare Strategy | 3 Days - In-Person | 2 Faculty Members

This program brings together interdisciplinary teams of clinicians, managers, economists, and technologists to envision their sector's future beyond 2030. They will work together to brainstorm how better to prepare themselves and their organizations for the future.

"Build Scenarios For the Future of Healthcare Beyond the 2030 Transformation"

MBSC Executive Education 2025 Program Description

NON-EXHAUSTIVE

*For program descriptions, download our [General Brochure](#).

Our faculty comprises renowned global experts with extensive experience in teaching, research, and consulting, shaping MBSC's distinctive entrepreneurial programs and character.

MBSC Certification

After successfully completion of the program, leaders are awarded one of two types of certificates to recognize their efforts, which confirms their participation and engagement in the program in its entirety.

Depending on the nature of the program: **A Certificate in Business Excellence (CBE)** or a **Certificate in Business Specialty (CBS)**.

When participants complete a modular program in more than one subject area, they will earn a **Certificate in Business Excellence (CBE)**. (E.g. Certificate in Business Excellence in General Management Program).

When participants complete a program in one subject area, they will earn a **Certificate in Business Specialty (CBS)** in Leadership, Marketing, Change Management, Finance, or Strategy.

All executives will receive an authenticated verified **Digital Certificate via email that can be **shared on their LinkedIn** feed and updated on their profile.*

EXECUTIVE
EDUCATION

ATTENDANCE POLICY

75% of the program duration or session hours

Based on attendance, participants may receive a Full or Partial Completion Certificate.

- **Full Completion Certificate:** complete the entire program with at least 75% attendance.
- **Partial Completion Certificate:** complete part of a modular program but do not meet the full attendance requirement. This certificate specifies the modules completed.

Participants who do not meet this requirement will be ineligible for a certificate.
